FROLIC AT LIZ TAYLOR'S OLD TEXAS HAUNT!

How's this for a Texas-size piece of Hollywood history? The penthouse suite at the Plaza Hotel Pioneer Park in El Paso was briefly home to Elizabeth Taylor during her marriage to Conrad Hilton. Now that space, on the 17th floor, is occupied by La Perla – a rooftop bar with panoramic views of two countries and three cities! After drinks, retreat to one of the property's 130 guest rooms, which boast chic details like Matouk linens and Caffe Bruno marble following a \$78M+ renovation. plazahotelepaso.com
